

## Fact Sheet

# Virtual CFO Services

Are you Navigating today's Business Interstate by looking through the windshield, or looking into the Rear View Mirror? If you are currently using traditional bookkeeping tax and accounting practices, that is exactly what you're doing. The days of "Three Statements and a Cloud of Dust." Are long over.

Let Balog + Tamburri, CPA's lead you to higher profits through our Total Back Office and Virtual CFO Services. This service is:

- Far more than just bookkeeping
- Beyond just finance and accounting
- Beyond Last Month's Financial Statements, and
- More support that a Virtual CFO -

Our TOTAL BACK OFFICE SUPPORT eliminates the burden of running a business so you can enjoy owning a business! In short, you work **ON** the business, and let us work **IN** the business. You concentrate on growing your business; let us worry about the paperwork!

Ask yourself these Key Questions:

1. Is your accountant is giving you financial reports that you don't understand?
2. Does your Income Statement show a profit, but your bank account says otherwise?
3. Can your employees go on vacation and you can't?
4. Are you are working more hours than ever but you are still short of cash?
5. Do you spend time away from your family trying to "Get the Books Caught Up?"
6. Has it been more than a month since you visited your largest clients?
7. Does your dog bark at you when you come home?

If you answered **YES** to two or more of these questions, you owe it to yourself and your family to let Balog + Tamburri, CPA's Virtual Back Office Services take on the burden of running a business so you can enjoy the benefits of **OWNING** a business.

What is A "Virtual CFO?"

What if you had access to a team of highly-skilled financial specialists available when and only when you need one can help grow your business and increase profits without the additional overhead of a full-time employee?
